It is the seventh installment in the Call of Duty series and the third to be developed by Treyarch. The game takes place during the Cold War and shows different historical periods of it. The main character is a CIA agent, set out on different classified missions and tasked with eliminating enemies if needed. The story in the game is complicated, featuring characters from the previous games, and historical figures like JFK and Fidel Castro. Despite its emphasis on the scenario and real-world plausibility, Black Ops doesn't lack in gameplay terms, as the combat system is, as established in series, extensive and realistic. The graphics are made for the player's highest level of entertainment, with massive special effects and excellent quality of every detail. Features of Call of Duty Black Ops PPSPP Highly Compressed: Seventh installment of the Call of Duty series, based on the live fire conflicts of the Cold War era. Diverse variety of play settings ranging from urban air and ground combat in SE Asia, to snow combat in Soviet region and jungle combat. Blending of traditional COD, and new first-person character scenarios designed to both retain the essence of the COD gaming experience and ensure constantly flowing and varied action. New arsenal of weapons and vehicles tied to the Cold War era, including the SR-71 Blackbird and sited explosive-tipped crossbows. Wide array of play modes including single player, local multiplayer versus and online co-op and multiplayer. Players can earn ranks for their performance, unlock new customizable weapons and different perks for use in the upcoming battles. Requirements For COD Black Ops PPSPP ISO CSO Highly Compressed Game iso details: Release date: November 9, 2010 Series: Call of Duty Genre: First-person Shooter Mode: Single-player, multiplayer Platforms: Playstation Portable Publisher: Activision Developer: Treyarch How to Download Call of Duty Black Ops PPSPP Highly Compressed ISO and CSO Here is the direct download links Mediafire and Google drive for Call of Duty Black Ops, they are all available in full and highly compressed versions. Choose any iso or cso you want below: DOWNLOAD Call of Duty Black Ops PSP PPSPP ISO Highly COMPRESSED (50 MB)(Mediafire link Compressed VERSION) Password: NT DOWNLOAD Call of Duty Black Ops PSP PPSPP ISO Full Version(330MB)(Mediafire link full VERSION) No password To download COD Black Ops PSP ISO ROM game File on your smartphone then you need to follow the steps below. It will help you easily download the game on your phone: First, click on any of the direct Download button above either from Mediafire or Google drive where the ISO is hosted. Wait for the page to completely get loaded on your browser. Press on the download button and wait for the server to send the Zip file to your Browser. Verify and accept the download request and wait for the file to get downloaded. Wait until the psp iso rom file gets completely downloaded on your smartphone and play on PPSPP emulator apk. How To Install and Play Call of Duty Black Ops - PSP Iso on your Android Smartphone using PPSPP Emulator By following these simple steps below you can easily install and play COD Black Ops PPSPP - PSP Iso File using emulator on Android: Download and install ZArchiver (if you don't have it already). Also, install the latest PPSPP Gold emulator from above (if you don't have it yet). Download the Game compressed iso cso from above to your phone storage. Extract the Game ISO ROM or CSO file using ZArchiver Pro. To do that, click on the ISO or CSO and select to open with ZArchiver Pro, then click on extract. Ensure to extract the ISO to PPSPP >> PSP >> Game on your SD card or internal storage where you can easily find it. Launch the PPSPP app. Then navigate to the Game tab. CALL OF DUTY LATEST HIGHLY COMPRESSED | DIRECT MEDIAFIRE LINK The game is: COD Mobile Beta, download the game in highly compressed format for free. Call of duty is an all-time favorite first-person Shooter game from Activision. Whoever played fps games once in a life I'm sure he/she had heard about the Call of Duty series. COD Mobile is developed by Tencent Games and published by Activision. Tencent has already given us a teaser of this game. The game is now running on Beta mode and it does not have the Battle Royale mode yet. The company is yet to release the Battle Royale version. COD mobile beta, download the game but it is quite large with over 1.5GB of size and that pulls me to make a compressed version of this file for easier downloading. The game is only available to those players who have registered it before on the PlayStore. But I am here to provide a version that is available to all for downloading. Basic Details | COD Mobile Beta Download Fight across iconic multiplayer maps and play fan-favorite modes as you strive to be the best in the world in Activision's highly-anticipated Call of Duty Mobile! [PLAY ICONIC CALL OF DUTY GAME MODES] The foundation of COD Mobile is a heart-pumping head to head multiplayer. In COD Mobile you will play several classic maps and modes from across COD franchises, including Call of Duty Black Ops and the original Modern Warfare series. Multiplayer is just the start. [CUSTOMIZE YOUR UNIQUE LOADOUT] As you play COD Mobile you will earn and unlock various iconic characters, weapons, outfits, scorestreaks, and pieces of gear from COD universe that can be used to customize your loadouts. [BUILT AND OPTIMIZE FOR MOBILE] Best part? Call of Duty Mobile is free-to-play! The COD fps experience comes to mobile with superior graphics and gameplay fans are sure to love. Compression details Original size: 1.7GB Compressed parts: 3 Size of each part: 60MB File type: Highly Compressed RAR files Screenshots Screenshot 1 Screenshot 2 Screenshot 3 Screenshot 4 Installation Instructions | COD Mobile Beta Download NOTE: Apk file is already included in the RAR files Download all the files and keep them in the same folder Extract them at once using Zarchiver Install the apk but don't open it Put the data into phone storage/ android / obb / paste here Run the game Enjoy Download Section | COD Mobile Beta [sociallocker] 1st part 2nd part 3rd part [/sociallocker] Final Words If you follow my above instructions carefully then you will be able to play the game without any problem. But if you face any problem regarding installation feel free to use the comment section. Though the game is in beta version, those who've got the game and playing right now they are surely loving it. Even I am playing the game now and it's fabulous.
